EVALUATION and OTHER ISSUES

1. For the programs taught in Turkish, foreign national students (except the students graduated from higher education institutions in Turkey) are requested to submit a Turkish

Language Proficiency Certificate issued by Turkish Language Teaching Centers (TOMER) of Universities or other public institutions proving they are proficient to attend graduate studies and have at least C1 (70/100) proficiency in Turkish. For students without a proficiency certificate, they should take the Turkish Language Proficiency Exam organized by our university. In order to be successful at the exam, they should at least get a score of 70 out of 100. For students with lower scores, a maximum time frame of two terms is granted for getting successful score. The validity of the certificates are limited to 3 (three) years.

2. For the programs taught in English, foreign national students are requested to submit a score/certificate of 65 from YDS, eYDS or YOKDIL or equivalent score of TOEFL IBT (78), PTE (67), CPE (C), CAE (B). For students without a proficiency certificate, they should take the English Language Proficiency Exam organized by our university. In order to be successful at the exam, they should at least get a score of 70 out of 100. The validity of the certificates/scores are limited to 5 (five) years for YDS, eYDS and YOKDIL; whereas it is 3 (three) years for TOEFL IBT, PTE Academic, CPE and CAE. The students with lower scores are registered to English Language Proficiency courses and given a maximum time frame of two terms for getting successful.

3. Evaluation of Graduate Study Applications will be realized based on the GGPA of bachelor's degree for Master's studies and the GGPA of master's degree for Doctorate studies (50%) and written and oral science exam scores (50%).

4. Foreign national students are obliged to pay a "tuition fee" determined by our University on the basis of the article 3 of the decision dated 27.06.2018 with no 12007 of the Council of Ministers published on the Official Gazette dated 07.07.2018 with no 30471. The fees for the courses, seminars and other services related to the graduate study to be determined by the relevant bodies is to be paid in advance. Students proving that they are granted scholarships by The Republic of Turkey or their own governments and receiving scholarships from our university are not obliged to pay "tuition fee". Tuition Fees for those students will be paid by the relevant institutions.
