PROF. DR. HASAN AYRANCI, RECTOR
CANKIRI KARATEKIN UNIVERSITY

Dear Youth,

Universities are not only the places where basic information is acquired, but also homes where individuals improve their abilities to question, criticize and get ready for their lives. The main goal of universities should be making the students ready for life fully-equipped. Cankiri Karatekin University (CAKU) invites students to the future by adopting ethics in addition to universal criterion in research and education. Our university aims to raise individuals producing, practicing and disseminating new information, thus putting its fully-equipped infrastructure to the students' future. We will always be there to make you feel at home while you receive your education at our university perfectly.

A handwritten signature in black ink, appearing to read 'Hasan Ayranci', written in a cursive style.

PROF. DR. HASAN AYRANCI, RECTOR
CANKIRI KARATEKIN UNIVERSITY

WHY CAKU?

Çankırı Karatekin University (CAKU) provides undergraduate programmes of international standards through its vocational schools, faculties and graduate schools. The dynamic education system as well as high quality of research are the main reasons for CAKU to be one of the preferred universities among national and international students in this region for undergraduate as well as postgraduate education. Besides having a comprehensive student support service as well as a clean and cheerful environment within the campus, various facilities are also provided by CAKU to ensure learning and teaching activities are conducted appropriately and effectively.

Çankırı Karatekin University, For Living University Life To The Fullest With Its Social Facilities

Çankırı Karatekin University, which is a university that offers all the facilities of Çankırı, which is the city where it is located, with its historical places, natural beauties and ease of transportation, provides many opportunities for its students to access these opportunities by making many free trip activities.

Çankırı is a city where a lot of social activity can be done, by hosting many places to be seen like Ilgaz Mountain National Park and by its distance (130 km) to the capital Ankara. In this sense, Çankırı Karatekin University offers its students an education life that they can live to the fullest in terms of transportation opportunities and location. With free one-day trips organized by the university; opportunity to experience skiing, hiking, mountain climbing and many other sports is given. With these trips, students can access to natural areas free of charge with the vehicles provided by the university like Ilgaz Ski Center, Salt Cave, Yapraklı Plateau and Alpsari Pond which are not easily accessed.

Çankırı Karatekin University, For Living University Life To The Fullest With Its Social Facilities

Çankırı Karatekin University ensures that international students have a pleasant time with special programs by making many excursions and activities exclusively for them. In addition, international students in these activities find opportunity to meet with other students of different nationalities who came to Turkey.

Çankırı Karatekin University Offers its Students a Safe and Peaceful City Life as a University with Sufficient Accommodation Opportunities

In Çankırı, which is one of the safest cities of Turkey, there are 4 state dormitories as 2 for girls and 2 for boys. Çankırı, where there are private dormitories as well as these dormitories that meet the current number of students, is distinguished with its calm, low-cost structure and its safety as being one of the cities with the least crime rate. While one of the state dormitories for girls is located in Uluyazı Campus, all of the other dormitories are located in city center.

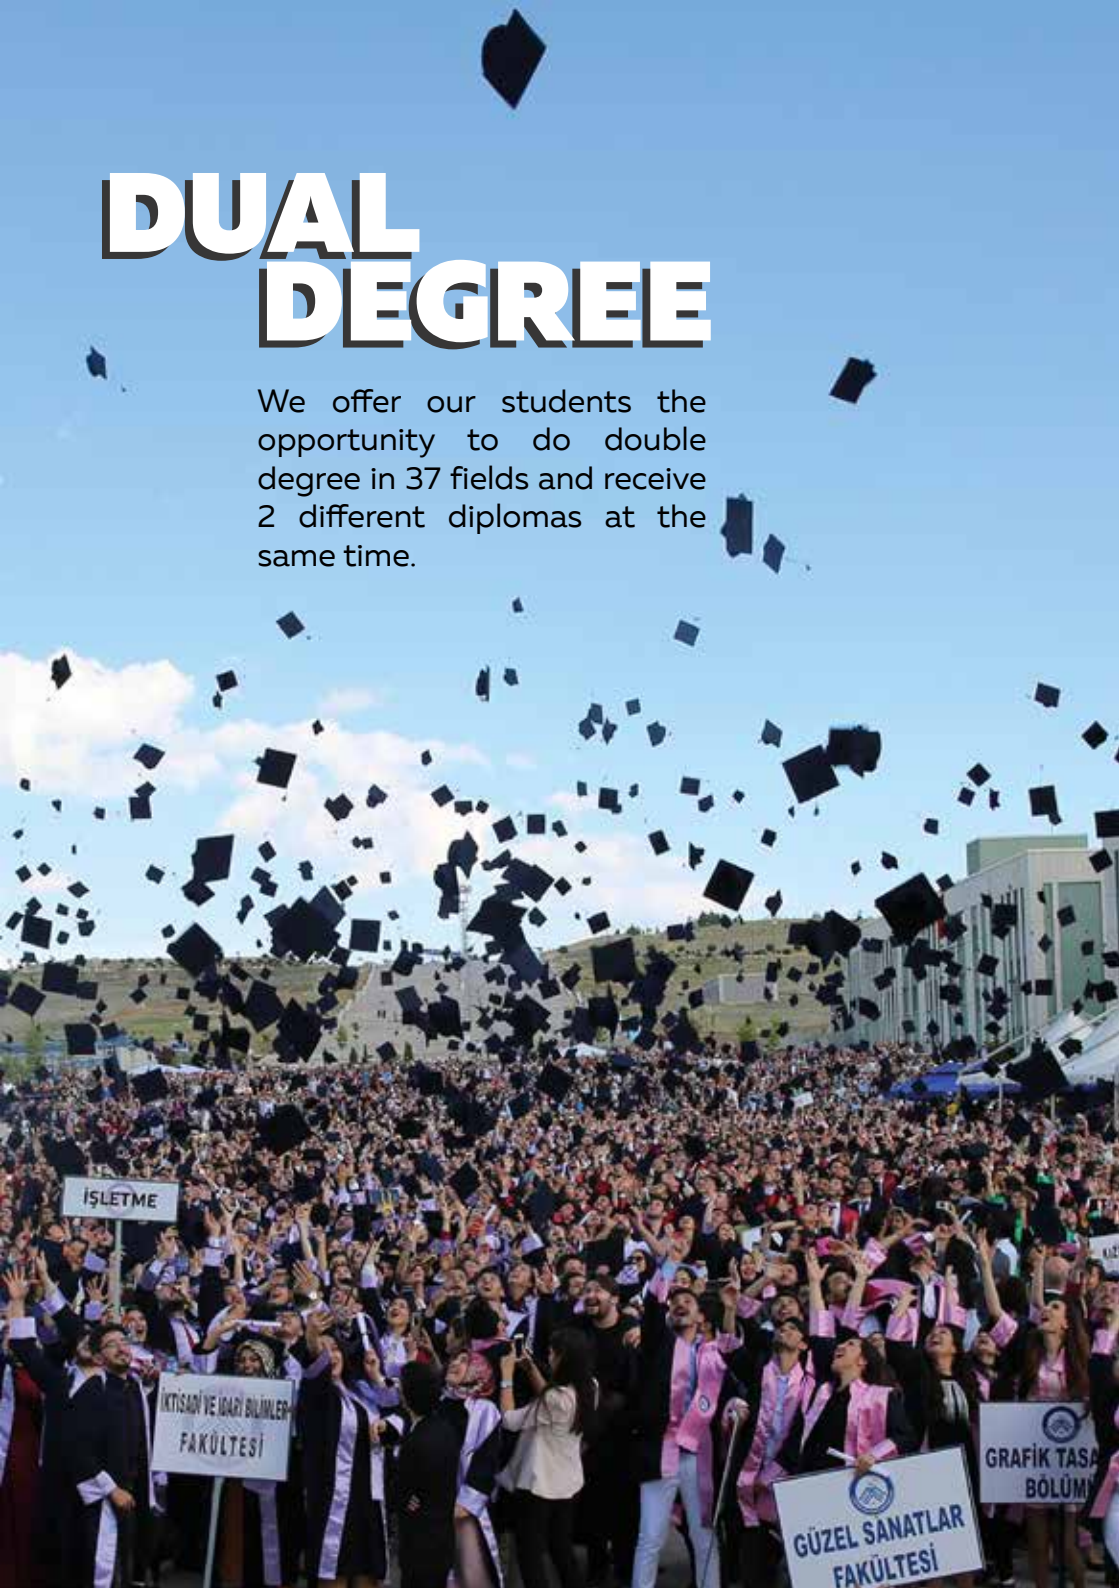

Learning Turkish for International Students is Very Easy at ÇAKÜ

Continuing its education with its local and foreign expert teaching staff, Çankırı Karatekin University Language Learning Center offers Turkish lessons to equally improve the speaking, writing, listening and reading skills of international students from many different countries. The center, which has language laboratories equipped with newest technology, also includes interactive classes that enable group work.

DUAL DEGREE

We offer our students the opportunity to do double degree in 37 fields and receive 2 different diplomas at the same time.

ENGLISH PROGRAMME

CAKU has been offering one bachelor and 5 master degrees which are full English.

**(UNIVERSITY
RESEARCH
LABORATORY)**

UNIAR

Throughout Turkey engaged in research on universities and higher UNIAR education (University Research Laboratory) by report published in 2020, the State University Ranking of Çankırı Karatekin University is 55th. The ranking calculated in the light of the data obtained by calculating the academic incentive scores from nine types of activities such as project, research, publication, design, exhibition, patent, citation, notification and award. CAKU leaped forward 35 lines higher than last 3 years. According to quality experts, this refers to "radical change".

**(UNIVERSITY RANKING BY
ACADEMIC PERFORMANCE)**

URAP

Located in METU Informatics Institute within the University Ranking by Academic Performance (URAP) Research Laboratory from 2009 until these universities in Turkey are listed according to their academic performance. Turkey in the ranking, Web of Science / InCites data published by the Higher Education Council and international resources are used. We hope that this ranking system developed by URAP for our universities will help each university to know about its own location. We believe that our universities will increase their ranking in the world rankings within a certain period of time by seeing their shortcomings and improving themselves. Currently, our universities have a better place in the world than many European universities. Despite all financial difficulties and staff problems, our universities are among the best universities in the world in international rankings. Çankırı Karatekin University CAKU has ranked as 19th among the state universities in Turkey.

**SUCCESSFUL RANKING IN
TUBITAK THE SCIENTIFIC
AND
TECHNOLOGICAL
RESEARCH
COUNCIL OF TURKEY**

CAKU has presented 55 pieces of the scientific projects to the Scientific and Technological Research Council of Turkey (TUBITAK). CAKU ranks 56 among State University in Turkey in the field areas of support by TUBITAK.

Çankırı Karatekin University CAKU has become the 5th university of 207 Turkish universities and become the 1st of the universities founded after 2007 for its number of funded projects within Erasmus+ KA107. Within the scope of KA107 Project, mutual academic - administrative staff and student exchange mobility is going to take place with our university in Malaysia, Sudan, Tunisia, Algeria, Palestine, Jordan, Bangladesh, Djibouti, Albania, Kosovo, Bosnia and Herzegovina, Cameroon, Ukraine, Tajikistan.

TAŞMESCIT DAR-UL HADIS GAINED INTERNATIONAL RECOGNITION

Bilateral cooperation agreement was signed between Çankırı Karatekin University and Dar El-Hadith El-Hassania University in Rabat, the capital of Morocco between the First Taşmescit Dar-ül Hadis in Anatolia and Rabat Yunus Emre Institute.

Prof. Dr. Hasan AYRANCI, Rector stated that thanks to this agreement, Dar-ül Hadis, which we reopened to serve its purpose, to serve in the international arena with our knowledge, cultural richness and experience. We hope that it will yield beautiful fruits. "

R&D RESEARCH AND DEVELOPMENT AND DESIGN CENTER – CAKU

The importance of university and industry collaboration is increasing day by day. In the next period, it focused on how the university and industry will act in science, technology and R&D studies. Our time is research, development and innovation time. It is time for science to be transferred to technology.

CAKU academic staff in Turkey in the contest organized by R&D projects; they received 6 first rank, 3 second rank and 3 patents from the Turkish Patent and Trademark Institution.

ÇANKIRI TECHNOPOLIS

Çankırı Karatekin University Teknokent Manager and ÇAKÜ Teknokent business name were registered with Çankırı Teknokent, which was implemented with the participation and support of Çankırı Governorate, Yakınkent Organization Industrial Zone, Çankırı Chamber of Commerce and Industry, under the leadership of Çankırı Karatekin University.

Universities have been established to produce science in order to bring the industry of the country to an internationally competitive and export-oriented structure by collaborating with research institutions and organizations and production sectors.

ÇANKIRI TECHNOPOLIS

In this context;

In order to generate technological knowledge, develop innovations in products and production methods, improving product quality and standards, to increase productivity, which will serve a variety of purposes, such as to reduce production costs. Technopolis is going to provide a great contribution by providing employment opportunities to Çankırı and Turkey's economy.

ÇAKÜ Technopolis, which has been followed for a long time by the entrepreneurs and R&D companies in our region, will also enable scientific research and innovation studies for academicians and students of our university.
